SYNTAX SIGNAL MEDIA, LLC

CAPABILITY STATEMENT — FEDERAL CONTRACTING

UEI: GHM2Z2MU5JU6
CAGE: 26PE2
Status: WOSB Certified

Syntax Signal Media, LLC is a Woman-Owned Small Business (WOSB) delivering strategic messaging, public relations, digital media production, and integrated communications consulting. We equip federal agencies and prime contractors with authoritative messaging, clear public outreach, and high-impact digital content designed to meet complex agency objectives.

CORE COMPETENCIES

Strategic Messaging & Public Relations

Executive communications, agency positioning, media relations management, press releases, and targeted stakeholder engagement.

Digital Media Production

High-quality audio/video assets, multimedia campaign development, graphic visual standards, and digital content creation.

Brand Strategy & Identity

Comprehensive brand positioning, visual style guides, organizational messaging frameworks, and reputation management.

Strategic Communications Consulting

Crisis communications planning, internal stakeholder alignment, change management messaging, and program outreach strategy.

KEY DIFFERENTIATORS

- **Agile Execution:** Small-business agility backed by rigorous production standards for rapid message deployment.
- **Clear & Compliance-Focused Messaging:** Translating complex policy, technical, and agency initiatives into plain, authoritative content.
- **Full-Lifecycle Digital Production:** End-to-end capabilities from concept strategy and scriptwriting to final video, audio, and visual assets.
- **WOSB Advantage:** Direct pathway to fulfill small business socio-economic subcontracting goals and prime set-asides.
